CYCLORAMA, GRANT PARK, ATLANTA, GA.—14

LL13497

The Cyclorama in Grant Park houses one of the two largest paintings in the world. The picture is a life-like reproduction of the Civil War Battle of Atlanta, fought July 22, 1864. The painting is 50 feet high, 400 feet around and weighs 18,000 pounds. At one time it was sold for $1,000, but a million would not buy it now.
